## ELECTRIC VEHICLE CHARGER REBATE (240 VOLT)

### Electric Vehicle Charger Rebate

1. **Electric Vehicle Charger Rebates** are available for both residential and commercial construction. All rebate applications require supporting documentation, including unit specifications.
2. Submittal for rebate must be accompanied with a copy of the Trinity County Building Permit signed off by the County Inspector.
3. Submittal for rebate must be accompanied with a copy of proof of purchase of charger and registration with Charging network.
4. Application must be completed and submitted within six (6) months of installation of unit(s).
5. Rebate dollar maximum's are for the life of this program.

**NO INSTALLATION REBATES WILL BE AWARDED WITHOUT  
A TRINITY COUNTY BUILDING PERMIT AND SUCCESSFUL FINAL INSPECTION.**

### TERMS and CONDITIONS

Funds for these incentives are limited. TPUD reserves the right to change and/or terminate incentives at its own discretion based on the availability of supporting funds. TPUD also reserves the right to inspect and verify installation of any installation. Customers who reject TPUD's verification process may be subject to rebate denial or reversal.

TPUD does not guarantee any equipment or energy savings.

Only current TPUD customers qualify for a rebate.

**Submit your completed application and documentation to:**

*Trinity Public Utilities District - P.O. Box 1216 - Weaverville, CA 96093*
