

AGRICULTURAL PUMPING SERVICE

APPLICABILITY

This schedule applies to single-phase and polyphase alternating current service solely for agricultural pumping that meets or exceeds 5 horse power. To qualify for this rate, the customer must submit a copy of the customer's IRS Form No. F (or its equivalent, or replacement), or provide other evidence that the pumping load is used to generate agricultural income.

This service is not available for resale, standby or auxiliary service, or service to any equipment, which will cause excessive voltage fluctuation.

MONTHLY RATE

System Access Charge	\$24.00
Energy Charge - kWh	\$.05643

DROUGHT RELIEF SURCHARGE

To the charges computed under the above rate, including any adjustments, shall be added applicable Drought Relief surcharges pursuant to Rate Schedule No. 18, Drought Relief Surcharge.

TAX CLAUSE

To the charges computed under the above rate, including any adjustments, will be added the applicable proportionate part of any taxes or governmental impositions which are, or may in the future be, assessed on the basis of gross revenues of the District and/or the price or revenue from the electric energy or service sold and/or the volume of energy generated or purchased for sale and/or sold hereunder. As of the date this rate was approved, two such assessments existed: (1) the specified per kWh tax established by the California Energy Commission; and (2) a 2.85% of revenue "Public Benefit" surcharge on total revenue from power sold.

GUARANTEED PAYMENTS

When a customer agrees pursuant to the District Line Extension Policy, to guarantee certain payments, such payments may supersede the rates established herein.

TERMS AND CONDITIONS

1. The District shall not be liable for any damages, direct, consequential, or any other, if this rate is terminated or the provisions thereof changed by action of the Board of the District or any regulatory agency, state or federal, or by action of any court.
2. The rates stated herein are subject to such changes as may be authorized by the Board of Directors of the District from time to time.

AVAILABILITY

Throughout the entire District service area where the facilities of the District are available of adequate capacity, and reasonably accessible to the customer service panel.
